Overview:

The purpose of the tour is to raise awareness for Mission of Mercy, their relief work in impoverished countries, and their child sponsorship program. During the concert we will have a short presentation via video or if that is not available, a short talk will be given to introduce Mission of Mercy's work. We will encourage attendees to visit the Child sponsorship table and sponsor a child. We will also take an offering during the event to cover tour expenses and for Mission of Mercy.

Facts:

- The tour will have 1 national artist with us on the road for the entire tour. We will have 1 or 2 local artists from the Indieheaven roster for each concert unless otherwise discussed.
- Concerts from 7:00PM-9:30PM unless otherwise discussed. Load in 3PM.
- An offering will be taken during concert unless otherwise discussed.
- Tour carries own production, sound system and lights.

Tour Rider:

- Since we will have 7 people on the tour bus, we will need a place to take a shower when we arrive at the venue and after the concert.
- We ask for a meal or 2 to be provided for the travelling group.
- Water and Bottled Drinks/Soda is appreciated.

Thank you for your prayerful consideration and for providing us the opportunity to share about Mission of Mercy. Our hope is that lives will be changed. That is why **“Will Play for Change.”**
